 Dear all at St Ray's Parish Church,  
 Honestly I am mega-grateful  
 for & inspired by your faithful  
 generosity! From chickens to  
 toys you find ways to support  
 & care for others. Please  
 know of our gratitude for your  
 other-centered kindness &  
 partnership for the Gospel!  
 Blessings!

When I think about my own childhood much is  
 remembered with deep appreciation; however nothing  
 rivals my memories of Christmas! So many things  
 combined to make those days absolutely the BEST...special  
 Church services, special family meals, special visits with  
 grandparents, special decorations, wrappings and GIFTS.  
 Thank you for helping so many of our client families to  
 create deep and vivid memories. We understand that toys  
 are not everything, but for children and for their parents  
 they sure are a BIG something!

Blessings and gratitude,  
 Sister Christina Heltsley, OP.

**Blessings for the New Year  
from Laudato Si!**

Throughout Advent and Christmas we have been renewed in Faith, and bathed in Hope and Joy, as we have been reminded of God's enduring love for us. His great love includes the incredible beauty and nurturing of creation.

The Magi trusted in a sign from creation that led them on a long journey to find a great king in a humble dwelling and they worshiped Him.

Sometimes we can become overwhelmed by huge problems of Climate Change, yet as Christians we have a hope we can share. Our

God is In Charge and loves what He has created. We must trust that 'All things are possible with Him' and that He gives us a role in His redemptive work of caring for creation.

In the past year there are wonderful signs of progress towards the rescue of our environment.

☆ People across the globe are growing in realization of the importance of protecting the creation that sustains us.

☆ Catholics are playing a lead role. The Vatican committed to net-zero emissions by 2050.

☆ An increasing number of U.S. dioceses and parishes also plan to establish net-zero or significantly lower carbon footprints.

☆ Catholic youth are actively influencing the Church to speak out about climate justice.

This year, let us be filled with gratitude for the gift of God's creation and with deep trust, seek His guidance to do our part to keep the earth thriving for future generations.

**VISION STATEMENT** St. Raymond Parish is a family. As disciples of Jesus, we are “children of God” and “brothers and sisters in Christ.” Jesus himself says, “Whoever does the will of my Father in heaven is my brother, and sister, and mother” (Matthew 12:50). We welcome all to belong to our Catholic family and to inherit with us in Christ the mission to preach the Gospel as we pray-serve-socialize in His Name.

**MISSION STATEMENT** St. Raymond Parish is a community united by our Catholic Faith as disciples of Jesus Christ. We seek communion with God the Father, Son, and Holy Spirit through ongoing personal and communal conversion to Christ and a deeper commitment to the mission Jesus gives each of us to preach the Gospel. The sacred scriptures and sacraments of the Church sustain us. We dedicate ourselves to Truth and strive to grow in love of God and neighbor as we pray-serve-socialize together, and work by grace to build up in one another and share freely with others the abundance of magnificent gifts God has given.
