WHAT IS INTELLIGENCE AND CAN A COMPUTER HAVE IT?

**Tuesday
June 16, 2026
7:00 pm
St. Raymond
Church**

Speaker

**Fr. Raphael Mary
Salzillo, O.P.**

The advent of modern artificial intelligence has transformed and will, almost certainly, continue to transform our world in unprecedented ways. But is "artificial intelligence" truly a kind of intelligence? The name by itself does not suggest an answer this question since the word 'artificial' can mean different things. For example, "artificial flavors" really are flavors, but an "artificial leg" is not a leg, but a leg-substitute.

In this talk, Fr. Raphael Mary will provide some philosophical tools for thinking through the question of whether it is possible (and, perhaps even already the case) for machines, such as computers, to be intelligent.

Fr. Raphael Mary Salzillo, O.P. is an assistant professor of philosophy at the Dominican School of Philosophy and Theology (DSPT) in Berkeley, CA. He grew up on the Oregon coast and converted to the Catholic Faith in high school. He studied applied physics for seven years at Caltech and UC San Diego before entering the Dominican Order in 2001. Fr. Raphael Mary was ordained a priest in 2009 and, after working in campus ministry for a few years, completed a PhD in philosophy at the University of Notre Dame in 2019. He went on to teach philosophy for four years at the University of St. Thomas in Houston, before returning to the Bay Area in 2023, to teach at the DSPT.

JUBILEE YEAR OF ST. FRANCIS OF ASSISI

June 4, 2026

The following letter was sent to the lay faithful of the Archdiocese of San Francisco in May 2026 for the Jubilee Year of St. Francis of Assisi.

My brothers and sisters in Christ,

Pope Leo XIV has decreed that from January 10, 2026, to January 10, 2027, "a special Year of Saint Francis shall be proclaimed, in which every faithful Christian, following the example of the Saint of Assisi, shall become a model of holiness of life and a constant witness of peace."

As the United States Conference of Catholic Bishops has stated, we are called to be witnesses of peace by boldly proclaiming the dignity of the human person and working for the protection of all human life. In this Year of Saint Francis, may he help us to see the beauty of life in all of creation, and in particular, in the weakest and most vulnerable among us.

Our Franciscan religious communities offer online resources to help the faithful deepen their relationship with God through Franciscan spiritual practices.

I am very pleased to share with you that for the first time in 800 years, relics of St. Francis of Assisi will be coming from Italy to the Cathedral of St. Mary of the Assumption later this year sponsored by the Knights of St. Francis of Assisi. We are making final preparations to receive and display the relics for all to venerate. More details will follow in the coming weeks.

In honor of this special year on the occasion of the 800th anniversary of the Transitus (death) of Saint Francis, I have designated several locations where the faithful may make a pilgrimage and pray devoutly to fulfill the conditions for receiving a plenary indulgence:

- National Shrine of St. Francis of Assisi
- Mission Dolores Church
- St. Francis of Assisi Catholic Church in East Palo Alto
- Mission San Rafael
- Cathedral of St. Mary of the Assumption

I encourage the faithful to participate in this special year of St. Francis and avail themselves of the many graces in this time of spiritual renewal in the Church.

Yours sincerely in Christ,
Most Rev. Salvatore J. Cordileone
Archbishop of San Francisco
